<sup>1.</sup> See Supplementary Instructions.

<sup>2.</sup> This item should reflect the *most recently* revalued amount available at the reporting bank. If the bank revalues this item weekly, the weekly revalued amount should be reported. If, however, the bank revalues less often, the most recently revalued amount should be reported, and that amount would continue to be reported in subsequent weeks until a new revalued amount becomes available. Also see the Supplementary Instructions for this item.
